

Craving & Relapse

May 16, 9am-1pm

The craving cycle happens to all alcoholics and addicts in recovery and always precedes relapse, a dangerous place to be. This workshop presentation provides practical information about how to deal with the craving cycle and minimize the relapse potential.

4.0 Continuing Ed hours credit

Presented by

Bob Tyler

BA, CADC II, ICADC

Mr. Tyler is the immediate past president of CAADAC, is Director of Operations and Clinical Services at Twin Town Treatment Centers, teaches at Loyola Marymount University Extension, and authored "Enough Already! A guide to recovery from alcohol and drug addiction."

Family & Addiction

Aug 29, 9am-1pm

Participants will learn how the disease of addiction impacts not only the addict/alcoholic, but how direct consequences fall on the immediate family members. Some participants will be asked to be part of a mock role play of the "dinner table" which identifies the roles of adaptation: scapegoat, hero, mascot, lost child and enabler.
